Re: June 12th Elections for 2018-2019 Board of Directors

Dear Members:

It has been my pleasure to serve as an elected board member for the Hays County Bar Association for nearly 5 years. I have enjoyed working for you by providing Continuing Legal Education courses, social events, and giving to local charities.

I have served the last three years as President of our association. Some of my most proud accomplishments as President were to update the bylaws for the first time in almost 20 years, and the disbursement of the Jacks Scholarship, which is now called the Jacks-Garner Scholarship.

These past three years as President I have also mourned the loss of many local legal pillars. I wondered if our bonds as local professionals would cease or weaken without their presence, but I have seen many rise up to continue the work started by those who passed on. Thank you for stepping up.

My family life has also drastically changed in the last three years and the time has come that I give greater attention to my children. **Therefore, I will not be on the ballot in June and my term as Bar President will end in June of this year.**

There are many other capable attorneys to fill our Board and to serve as President. Please consider contributing a few hours each month to our Association, and take your turn in carrying our association, started locally, decades ago.

Very truly yours,
